

Remote Usability Testing

Report of Andrew Beeman

Project Report

Task: 1

Prototype Title : C856_Bootstrap

Prototype Description : 1. Who do you call about Tourist Info on Tanti? 2. Who do you call if you lost your luggage in flight? 3. If you were interested in the island's rainforest, where would you go to learn about it on the website? 4. If you were curious about the different types of restaurants the island offers, how would you learn more about it? 5. Where would you go to find the legal drinking age on the island?

Project Review

Review: 1

Feedback : Nice website. Need to put the FAQ link up at the top. The lettering is a little small and may need better contrast colors. For example in the upper left top corner the name for the island needs better contrast.

Date of Review : 2021-04-28 20:33:47

Review: 2

Feedback : Clean, pretty website; easy to navigate. The one thing I would suggest is to make the FAQ easier to find.

Date of Review : 2021-04-28 23:41:05

[Prototype Feedback](#)

Review: 3

Feedback : Nice design, Easily accessible menus.
